Leon County Supervisor of Elections Mails Election Ready Postcards

Leon County, FL – Mark S. Earley, Supervisor of Elections for Leon County, mails Election Ready postcards to Leon County households. “Over the course of this week, my office is mailing out over 120,000 postcards, one to every residential address in Leon County,” said Supervisor Earley. “This way, every Leon County resident has the key information they need to be Election Ready as we approach the 2024 Primary and General Elections.”

By sending a postcard to every residential address in the county, the Elections Office can directly contact both registered voters and residents who are not yet registered to vote. The postcard encourages Leon County residents to be Election Ready by registering to vote or checking that their registration is up to date. Voters who wish to vote-by-mail in the Primary or General Election are additionally encouraged to request their mail ballot now.

In order to cast a ballot in an election, voters must be registered to vote in Florida by the voter registration deadline. Additionally, if a voter wishes to change their party affiliation before the Primary Election, the change must be made by the deadline. Voters are encouraged to register or update their record as soon as possible. Voters who have moved since last voting should check and update their address to ensure they will receive the correct precinct assignment and ballot.
